Meridian Group International Named to Everything Channel's VAR500 List 17th Annual List Ranks North America's Top 500 Technology Integrators

Deerfield, IL, August 23, 2011 – Meridian Group International, a leading global provider of technology solutions and finance options, today announced it has been recognized by Everything Channel as a part of CRN's 2011 VAR500 list, which ranks the top technology integrators in North America. Featuring the highest producing technology integrators and solution provider organizations in the IT channel, the VAR500 rankings consider earnings from hardware sales, software sales and managed IT services. Meridian Group International placed 59th in the 17th annual ranking.

The VAR500 is a list of the largest value-added resellers, solution providers and integrators in North America by revenue size. Revenue size is determined by the amount of annual products and services sold over the course of 2010.

"Meridian Group International is proud to be ranked 59th on this years' VAR 500 list," stated Ian Pye, Chairman and CEO. "Meridian is focused on providing business solutions to business problems. Our clients, across the US and globally, continue to recognize our expertise through their increasing business with us."

"The VAR500 represents the top performing solution providers in the IT community," said Kelley Damore, VP, Editorial Director, Everything Channel. "Vendors of all sizes rely heavily on the VAR500 list to find those solution providers best suited to sell their products. VAR500 honorees are considered trusted business advisors, integration experts, and invaluable partners. Even more importantly, they solve customers' biggest IT business problems through product integration, training, consulting and services."
